A Walking Miracle.

MR. H. R. STEVENS:—

Dear Sir,—Though a stranger I want to inform you what VEGETINE has done for me.

Last Christmas Scrofula made its appearance in my system—large running ulcers appearing on me as follows: One on each of my arms, one on my thigh, which extended to the seat, one on my head, which eat into the skull bone, one on my left leg, that became so bad that two physicians came to amputate the limb, though upon consultation concluded not to do so, as my whole body was so full of Scrofula they deemed it advisable to cut the sore, which was painful beyond description, and there was a quart of matter run from this one sore.

The physicians all gave me up to die, and said they could do no more for me. Both of my legs were drawn up to my seat, and it was thought if I did get up again I would be a cripple for life.

When in this condition I saw VEGETINE advertised, and commenced taking it in March, and followed on with it until I had used sixteen bottles, and this morning I am going to plough corn, a well man. All my townsmen say it is a miracle to see me round walking and working.

In conclusion I will add, when I was enduring such great suffering, from that dreadful disease, Scrofula, I prayed to the Lord above to take me out of this world, but as VEGETINE has restored to me the blessings of health, I desire more than ever to live, that I may be of some service to my fellow man, and I know of no better way to aid suffering humanity than to enclose you this statement of my case, with an earnest hope that you will publish it, and it will afford me pleasure to reply to any communication which I may receive therefrom. I am, Sir, very respectfully,

WILLIAM PAYN.

No medicine has attained such a great reputation as this justly celebrated compound.

VEGETINE.

The Great Reputation

WHICH

VEGETINE

Has attained in all parts of the country as a

Great and Good Medicine,

and the large number of testimonials which are constantly being received from persons who have been cured by its use, is conclusive proof of its great value. It is recommended by physicians and apothecaries. As a Blood Purifier and Health Restorer, it has no equal.

VEGETINE is not prepared for a fancy drink, made from poor liquors, which debilitate the system, and tend to destroy health instead of restoring it.

Are not the many testimonials given for the different complaints satisfactory to any reasonable person suffering from any disease mentioned above, that they can be cured? Read the different testimonials given, and no one can doubt. In many of these cases the persons say that their pain and suffering cannot be expressed, as in cases of Scrofula, where, apparently, the whole body was one mass of corruption. If VEGETINE will relieve pain, cleanse, purify and cure such diseases, restoring the patient to perfect health after trying different physicians, many remedies, suffering for years, is it not conclusive proof, if you are a sufferer, you can be cured? Why is this medicine performing such great cures? It works in the blood, in the circulating fluid. It can truly be called the *Great Blood Purifier*. The great source of disease originates in the blood; and no medicine that does not act directly upon it, to purify and renovate, has any just claim upon public attention. When the blood becomes lifeless and stagnant, either from change of weather or of climate, want of exercise, irregular diet, or from any other cause, the VEGETINE will renew the blood, carry off the putrid humors, cleanse the stomach, regulate the bowels, and impart a tone of vigor to the whole body. The conviction is, in the public mind as well as in the medical profession, that the remedies supplied by the *Vegetable Kingdom* are more safe, more successful in the cure of disease, than mineral medicines. VEGETINE is composed of roots, barks and herbs. It is pleasant to take, and is perfectly safe to give to an infant. Do you need it? Do not hesitate to try it. You will never regret it.

Physicians Surprised.

ROXBURY, Feb. 17, 1871.

MR. H. R. STEVENS:—

Dear Sir,—I have been a great sufferer for fifteen years, and though a stranger to you, I must tell you how I was cured, and what did it.

I am thirty-one years of age, and I inherited Scrofula from my mother. I have had this disease in every form during the past fifteen years, and during the past eight years have been almost entirely covered with Scrofula sores; there being seventy-two large running ulcers on my body at one time. I have been attended by five physicians of this place, also six good physicians from Boston and other places. Have thoroughly tried five of the most popular remedies which are advertised for the blood, to cure Scrofula, etc. The proprietors of two of these remedies called on me at different times, and both told me that my case was incurable.

About six months ago a Scrofula sore came out on my left arm, which spread from shoulder to elbow. It was horrible to look at, and the pain and suffering was dreadful to bear, with my arm in a sling, suffering day after day, and passing sleepless nights, with violent pain in my head, and palpitation of the heart.

This was my condition, when Mr. Holmes (of this place) urged me to try the VEGETINE, and knowing that it had cured him after nothing else would, and having no other hope for relief, I commenced to take the VEGETINE; and, after I had used it about one week, I could see that the sores had a different appearance, and could realize that I was growing stronger.

The sores all discharged fearful quantities; but the pain left me very rapidly. I kept on improving, and can now say, after taking thirteen bottles of VEGETINE, that I have not felt so well for fifteen years. The VEGETINE worked differently in my case from anything which I ever took, and I do honestly believe it to be the best medicine in the world, and I wish all sufferers knew its value as I do, and I shall take pleasure in giving any information as to what this good medicine has done for me.

I am very gratefully yours,

MRS. MAY M. THOMPSON,

3 Malbor Place, Boston Highlands.

"Vegetine purifies the Blood, and restores the Health."

Our food furnishes material for the growth and nourishment of the body by absorption and assimilation. In like manner VEGETINE acts in the cure of disease. When swallowed, it is absorbed, taken up by the veins, and circulated through the system with the blood, reaching the most hidden and remote parts. It is evident, by this direct action, that the whole system must feel the effects of the remedy.

Dear Sir,—About one year since I found myself in a feeble condition from general debility. VEGETINE was strongly recommended to me by a friend who had been much benefited by its use. I procured the article, and, after using several bottles, was restored to health, and discontinued its use. I feel quite confident that there is no medicine superior to it for those complaints for which it is especially prepared; and would cheerfully recommend it to those who feel that they need something to restore them to perfect health.

LEBANON, N. H., Jan. 29, 1870.

MR. STEVENS:—

Dear Sir,—I write this note to inform you of the effect of your "Blood Purifier" upon my system. When I commenced taking it a year ago, I was very much debilitated. My limbs were swollen so that it was impossible for me to get into or out from a carriage, and very painful to go up or down stairs; indeed I could scarcely stand on my feet. My appetite was gone, my strength failing rapidly. After using your medicine for a few weeks, I began to improve. My appetite improved, and my strength returned. I can now perform my duties as a nurse with my wonted ease, and I feel I owe it to your remedy. I should not wish to be without it.

Yours gratefully,

MR. H. R. STEVENS:—

Dear Sir,—I will most cheerfully add my testimony to the great number you have already received in favor of your great and good medicine, VEGETINE, for I do not think enough can be said in its praise, for I was troubled over thirty years with that dreadful disease, Catarrh, and had such bad coughing spells that it would seem as though I could never breathe any more, and VEGETINE has cured me; and I do feel to thank God all the time there is so good a medicine as VEGETINE, and I also think it one of the best medicines for coughs and weak sinking feelings at the stomach, and advise everybody to take the VEGETINE, for I can assure them it is one of the best medicines that ever was.

SOUTH BOSTON, Feb. 9, 1871.

H. R. STEVENS, Esq.:—

Dear Sir,—I have heard from very many sources of the great success of VEGETINE in cases of Scrofula, Rheumatism, Kidney Complaint, Catarrh, and other diseases of kindred nature. I make no hesitation in saying that I *know* VEGETINE to be the most reliable remedy for Catarrh and General Debility.

My wife has been troubled with Catarrh for many years, and at times very badly. She has thoroughly tried every supposed remedy that we could hear of; and with all this she has for several years been gradually growing worse, and the discharge from the head was excessive and very offensive.

She was in this condition when she commenced to take VEGETINE; I could see that she was improving on the second bottle. She continued taking the VEGETINE until she had used from twelve to fifteen bottles. I am now happy in informing you and the public (if you choose to make it public) that she is entirely cured, and VEGETINE accomplished the cure after nothing else would. Hence I feel justified in saying VEGETINE is the most reliable remedy and would advise all suffering humanity to try it, for I believe it to be a good, honest, vegetable medicine, and I shall not hesitate to recommend it.

I am, &c., respectfully,
L. C. CARDELL,

Further Proof.

MR. STEVENS:—

Dear Sir,—After suffering for the last two years with the Rheumatism, I can truly say, that, after using your VEGETINE for thirty days, I received more help than I ever received from the many so-called remedies which I have used for this disease. After taking some eight or ten bottles, it effected a perfect cure of the Rheumatism upon me, and I have not had the slightest touch of it for several months. I take great pleasure in recommending your remedy to all.

VEGETINE will cleanse Scrofula from the system. Try it.

VEGETINE is composed of substances identical with healthy blood; and, when taken into the system for the cure of disease, it is absorbed, and replaces the defective which caused the disease.

The Best Evidence.

The following letter from Rev. E. S. Best, pastor M. E. Church, Natick, Mass., will be read with interest by many physicians. Also those suffering from the same disease as afflicted the son of the Rev. E. S. Best. No person can doubt this testimony, and there is no doubt about the curative powers of VEGETINE :

NATICK, Mass., Jan. 1, 1873.

Mr. H. R. STEVENS :—

Dear Sir,—We have good reason for regarding your VEGETINE a medicine of the greatest value. We feel assured that it has been the means of saving our son's life. He is now seventeen years of age; for the last two years he has suffered from necrosis of his leg, caused by scrofulous affection, and was so far reduced that nearly all who saw him thought his recovery impossible. A council of able physicians could give us but the faintest hope of his ever rallying, two of the number declaring that he was beyond the reach of human remedies, that even amputation could not save him, as he had not vigor enough to endure the operation. Just then we commenced giving him VEGETINE, and from that time to the present he has been continuously improving. He has lately resumed his studies, thrown away crutches and cane, and walks about cheerfully and strong.

Though there is still some discharge from the opening where his limb was lanced, we have the fullest confidence that in a little time he will be perfectly cured.

He has taken about three dozen bottles of VEGETINE, but lately uses but little, as he declares that he is too well to be taking medicine.

Respectfully yours, E. S. BEST,

MR. STEVENS:—

Dear Sir.—I am seventy-one years of age; have suffered many years with Kidney Complaint, weakness in my back and stomach. I was induced by friends to try your VEGETINE, and I think it the best medicine for weakness of the kidneys I ever used. I have tried many remedies for this complaint, and never found so much relief as from the VEGETINE. It strengthens and invigorates the whole system. H. R. STEVENS, Esq.:—

Dear Sir,—I have been badly afflicted with Kidney Complaint for ten years; have suffered great pain in my back, hips and side, with great difficulty in passing urine, which was often and in very small quantities, frequently accompanied with blood and excruciating pain.

I have faithfully tried most of the popular remedies recommended for my complaint; I have been under the treatment of some of the most skilful physicians in Boston, all of whom pronounced my case incurable. This was my condition when I was advised by a friend to try the VEGETINE, and I could see the good effects from the first dose I took, and from that moment I kept on improving until I was entirely cured, taking in all, I should think, about six bottles.

It is indeed a valuable medicine, and, if I should be afflicted again in the same way, I would give a dollar for a dose, if I could not get it without.

Nervous Sufferer.—A dose of VEGETINE is nourishing and strengthening; purifies the blood; regulates the bowels; quiets the nerves; gives refreshing sleep, and induces the whole system to action.

Diseases of the Kidneys, Bladder, &c., are always unpleasant, and at times they become the most distressing and dangerous diseases that can affect the human system. Most diseases of the Kidneys arise from impurities in the blood, causing humors which settle on these parts. VEGETINE excels any known remedy in the whole world for cleansing and purifying the blood, thereby causing a healthy action to all the organs of the body.

Valuable Information.

BOSTON, Dec. 12, 1869.

Gentlemen,—My only object in giving you this testimonial is to spread valuable information. Having been badly afflicted with Salt Rheum, and the whole surface of my skin being covered with pimples and eruptions, many of which caused me great pain and annoyance, and knowing it to be a blood disease, I took many of the advertised blood preparations, among which was any quantity of Sarsaparilla, without obtaining any benefit, until I commenced taking the VEGETINE; and before I had completed the first bottle I saw that I had got the right medicine. Consequently I followed on with it until I had taken seven bottles, when I was pronounced a well man; and my skin is smooth and entirely free from pimples and eruptions. I have never enjoyed so good health before, and I attribute it all to the use of VEGETINE. To benefit those afflicted with Rheumatism, I will make mention also of the VEGETINE'S wonderful power of curing me of this acute complaint, of which I have suffered so intensely.

H. R. STEVENS, Esq.:—

Dear Sir,—In presenting you with my testimonial, I will commence by saying it is pretty generally known around these parts that I have been an acute sufferer with Chronic Rheumatism. For a year and a half I was obliged to give up my business, and for six months of the time was compelled to lie on my back entirely helpless. My friends were constantly bringing me every remedy advertised for Chronic Rheumatism. I gave each a fair trial, getting no better, and continually growing worse. Three of our best physicians attended me, neither of whom could do anything to alleviate my sufferings which were beyond description. I suffered excruciating pains in my arms and shoulders, and at times I could not raise my hands to my head. Finally, the disease principally settled in my ankles and wrists, both of which were rapidly growing out of shape. Apparently, everything had been done for me that could be, when a friend prevailed upon me to try VEGETINE, saying he had taken it himself, for Scrofula in the blood, with the most satisfactory results. Consequently all other remedies were laid aside, and I commenced the VEGETINE, determined to give it a fair trial; and before I had completed the first bottle I began to feel better. I kept taking the VEGETINE and kept on improving. A long time has since elapsed, and I can honestly say I am entirely cured; and VEGETINE has proved itself to be my best friend, to which alone I give credit for my great relief. My business is such as to enable me to daily come in contact with sickness of every description; and since my recovery I have made it a point to recommend VEGETINE, telling the sick what it has done for me. I now have the names of over two hundred persons on my route who are taking VEGETINE, and in every case are being helped rapidly. Many have been entirely cured who were pronounced hopeless cases by some of our most eminent physicians. The diseases were Scrofula, Rheumatism, Kidney Complaints, General Debility, etc. Yours with great respect,

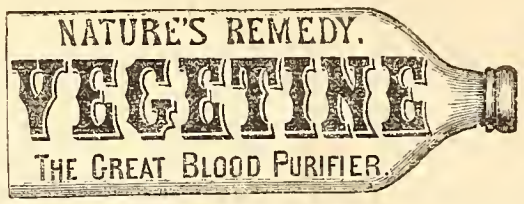
Vegetine will cure the worst case of Scrofula.

Vegetine purifies the blood, renovates and invigorates the whole system. Its medical properties are Alterative, Tonic, Solvent and Diuretic.



VEGETINE is made exclusively from the juices of carefully selected barks, roots and herbs, and so strongly concentrated, that it will effectually eradicate from the system every taint of Scrofula, Scrofulous Humor, Tumors, Cancer, Cancerous Humor, Erysipelas, Salt Rheum, Syphilitic Diseases, Canker, Faintness at the Stomach, and all diseases that arise from impure blood. Sciatica, Inflammatory and Chronic Rheumatism, Neuralgia, Gout and Spinal Complaints, can only be effectually cured through the blood.

For Ulcers and Eruptive Diseases of the Skin, Pustules, Pimples, Blotches, Boils, Tetter, Scaldhead and Ringworm, VEGETINE has never failed to effect a permanent cure.

For Pains in the Back, Kidney Complaints, Dropsy, Female Weakness, Leucorrhœa, arising from internal ulceration, and uterine diseases, and General Debility, VEGETINE acts directly upon the causes of these complaints. It invigorates and strengthens the whole system, acts upon the secretive organs, allays inflammation, cures ulceration, and regulates the bowels.

For Catarrh, Dyspepsia, Habitual Costiveness, Palpitation of the Heart, Headache, Piles, Nervousness, and General Prostration of the Nervous System, no medicine has ever given such perfect satisfaction as the VEGETINE. It purifies the blood, cleánses all of the organs, and possesses a controlling power over the nervous system.

The remarkable cures effected by VEGETINE have induced many physicians and apothecaries whom we know to prescribe and use it in their own families.

In fact, VEGETINE is the best remedy yet discovered for the above diseases, and is the only reliable BLOOD PURIFIER yet placed before the public.
